FAIR AND EVENTS GUIDE
2016

Agriculture is the heart of rural Manitoba.

Manitoba Agriculture, Food and Rural Development is proud to highlight the 2016 Manitoba Fairs and Events Guide.

Each year, many dedicated Ag Society volunteers across the province plan a variety of fairs and events that highlight rural communities and encourage community spirit. Communities showcase agriculture, education, and recreation to highlight and celebrate these important contributions to the economy of Manitoba.

From livestock and crop production to youth showcasing 4-H and leadership skills, there are endless opportunities to learn and share. The pride and commitment of hard working community and Agricultural Society volunteers throughout the year means you can enjoy community events wherever you travel.

We've added some new events this year including Open Farm Day, planned for September 18. We are all looking forward to the farms that will participate in 2016 and showcase agriculture across Manitoba!

Enjoy your visit to these communities!
