

Minimum Air Temperature Map

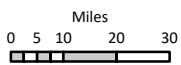

May 30, 2020 (01:00 AM - 09:00 AM)

Minimum Temperature (°C)

The number displayed at each location indicates the duration (in hours) when the minimum air temperature was below 0° C. Information on the map provides regional representation. Field-specific information may be different. Based on weather data recorded from MB Agriculture Weather Program.

For more information, contact your local Manitoba Agriculture office.
