Responsibilities:

They are not involved in day-to-day operational issues but receive reports and information that meet their defined needs.

Desirable Expertise:

The AFM Board governs the agency through policy governance. As such, past experience on a board has proven to be an asset. It is strongly recommended that some board members have some personal experience with addictions. Other experience which has assisted the organization in the development of its strategic plan includes: business, professional (i.e. lawyer, accountant, etc.), community involvement. An ability to support the organization's strategic direction through strong connections with community decision-makers is a definite asset to the Foundation.

Meetings:

The board meets monthly except for July and August. Meetings are usually held on Mondays from 5:00pm – 8:30pm or 9:00pm at 1031 Portage Avenue. Every 3 years there is a board retreat which begins on Friday evening and ends after a full day session on Saturday.
