On March 20, 2020, Manitoba declared a province-wide state of emergency to address the COVID-19 pandemic, under the authority of the Emergency Measures Act, and issued public health orders that are in place. For more information on the state of emergency, and how to protect yourself and others, visit: www.manitoba.ca/COVID19.

All travellers (international and domestic) are required to self-isolate and self-monitor for symptoms for 14 days upon arriving in Manitoba.

Additional information and a list of exceptions can be viewed online at www.manitoba.ca/covid19/soe.html

You are required to self-isolate and self-monitor for symptoms for 14 days upon arriving in Manitoba.

Self-isolation is used to lower the chance of spreading the illness to other people. Self-isolation means avoiding situations where you could infect other people. This can help prevent the spread of infections.

Do not attend activities or gatherings where you may come in close contact with other people. This includes work, school and university, public transport (plane/bus/taxi/carpool), health-care facilities, faith-based facilities (church or funerals), grocery stores or restaurants, shopping malls, sporting events, concerts and birthday parties.

If you’re experiencing symptoms of COVID-19, take the online self-assessment at manitoba.ca/COVID19.

Contact Health Links-Info Santé at 204-788-8200 or 1-888-315-9257.

Do not call 911 unless it is an emergency.
