# RECRUITMENT UPDATE

## Immunizers, Observers and Clinical Leads

- 3,052 hired, assigned or trained:
  - 1,578 Shared Health
  - 1,021 regional health authorities
  - 453 partners / trained only
- The goal has been to broaden the number of professions that can administer vaccines
- This limits the impacts on the health care system
- Nurses account for 40 percent of this workforce. The total complement is an inter-disciplinary team with a variety of trained professionals

# IMMUNIZERS, OBSERVERS AND CLINICAL LEADS

# RECRUITMENT UPDATE

## Retention

### Town halls

- Monthly virtual town halls are offered to all employees.
- Opportunity for staff to engage with leadership and learn about issues like vaccine supply and cultural safety in the context of their work.

### Engagement

- Regular communications with vaccination clinic staff, including the weekly Manitoba Vaccine Team News.

### Term positions

- Additional term navigator and student immunizer positions are being offered.
- Will provide stability as we move into the summer months.

# RECRUITMENT UPDATE

## Hiring to Match Vaccine Campaign Ramp-up

- Thousands of applications received to date
- After the original influx of resumes, the focus on hiring for particular communities and positions.
- Everyone who has applied will get a response: nearly 3,000 immunizer and navigator candidates
- This is being led by the province with support from Shared Health and human resources staff from the City of Winnipeg
- We are anticipating a large increase in staff over the month of May as a result of these efforts

# RECRUITMENT UPDATE

## Support for Urban Indigenous Clinic Staffing

- There are five clinics in Brandon, Thompson, Portage and two in Winnipeg.
- Non-clinical staffing (site managers, security, liaisons, outreach workers) are being funded through a grant
- Clinical staff (clinic lead, observers, immunizers) are being provided by RHAs/Shared Health
- Funding for navigators is in place for the two clinics in Winnipeg and Manitoba is providing navigator staffing support in others

# RECRUITMENT UPDATE

# PLANNING OUR NEXT STEPS

# NEXT STEPS

## Expanding Eligibility

- Community-based eligibility expansions are complete
- Returning to age-based eligibility starting today
- People aged 45 or older can book - beginning at 11:45 am.
- Will continue expanding eligibility regularly (Monday / Wednesday / Friday) based on age, as vaccine supplies and available appointments allow
- All people aged 18+ will be eligible by May 21

# NEXT STEPS

## Plans for 2nd Doses

- 2nd dose appointments will begin being booked once first dose eligibility is complete
- People will be notified by:
  - government announcements
  - web / social media updates
  - direct outreach with information provided to us, including phone numbers, emails, texts
- First groups eligible to book their 2nd dose will be people who are immunocompromised or have specific priority medical conditions
- Eligibility will then be expanded based on when a person received their first dose
