35. Click "Confirm Billing Details"

A screenshot of a web form for confirming billing details. The form contains several input fields: "Street Address (Required)" with the value "75 Beautiful Beach Dr.", "City (Required)" with the value "Winnipeg", "Province/State (Required)" with a dropdown menu showing "Manitoba", and "Postal/Zip Code (Required)" with the value "R1R 4J8". There is also an empty field for "Primary Phone Number (Optional)". Below the fields is a green checkbox that is checked, with the text: "The customer understands the [terms and policies](#) related to this purchase. The customer accepts responsibility for any errors and agrees to pay all applicable fees and penalties." At the bottom of the form is a green button labeled "Confirm Billing Details", which is circled in orange.

Note: For the following steps where you record customer card details, the call recording will be paused automatically. However, you **MUST** physically check to ensure that the recording has paused before proceeding to request the customer for their credit card information.
