Your personal information is being collected for the purposes of determining eligibility for funding and communication with the applicant under the Climate and Economy Solutions program administered by Environment and Climate Change. Your information may be disclosed to other Manitoba government departments, Crown corporations and agencies to determine eligibility for additional or other grant funding programs. Your personal information may be shared with the Government of Canada as co-funder of the Climate and Economy Solutions program. Your personal information may be publicly disclosed to highlight funded projects under the Climate and Economy Solutions program. Your personal information will not be used or disclosed for other purposes, unless permitted by The Freedom of Information and Protection of Privacy Act (FIPPA).

I acknowledge and accept the above terms: ☐

I apply to the Government of Manitoba for a grant under the Climate and Economy Solutions Program. I confirm that:

- I am an authorized representative of the Project Applicant, and, in that capacity, I hereby agree on behalf of the Project Applicant to be bound by and carry out the Project described herein in accordance with the Application.
- The Government of Manitoba will use and rely upon this information in reviewing my Application and for related purposes.
- All statements in this Application are true and complete.
- The Project Applicant shall not assign or transfer this Application, or any of the rights or obligations under this Application, without the prior written consent of Manitoba.

Date:

I acknowledge and accept the above stated terms: ☐

Authorized Representative Name & Title:

Authorized Representative Signature:

Please expect to receive a confirmation of receipt of your submitted Intake Form – Part A within two business days. If your project is eligible, a representative from Environment and Climate Change will contact the applicant's Primary Contact within six weeks of receipt of the Intake Form – Part A to discuss next steps in the application process.
