## Five public transit projects in Manitoba receive government funding

The Public Transit Infrastructure Fund (PTIF) is helping improve commute times, cut air pollution, strengthen communities and grow Canada's economy by supporting the rehabilitation of public transit systems, the planning of future system improvements and expansions, enhanced asset management and system optimization and modernization.

The five projects announced today are in addition to 47 projects previously announced under PTIF.

Location	Project name	Federal funding	Provincial funding	Municipal funding
Winnipeg	Rapid Transit Master Plan and Prioritization Study	\$1,500,000	n/a	\$1,500,000
Winnipeg	Pedestrian and Cycling Bridges: Chief Peguis Trail	\$3,350,000	n/a	\$3,350,000
