**COMMUNITY PARTNERS  
FOR VACCINE ADMINISTRATION**

Manitoba's Vaccine Implementation Task Force is providing vaccine to community organizations, businesses and other partners to help get people immunized. In total, from late June to early August, these efforts will make nearly 20,000 vaccines available to people who might otherwise face barriers in being immunized.

These partners include:

- West End Women's Centre,
- North End Women's Centre,
- New Directions,
- Women of Colour Community Leadership,
- New Flyer,
- Elwick Village,
- MacDon,
- Red River College,
