

Backgrounder

Canada and Manitoba invest over \$23 million in 15 culture and recreation infrastructure projects in Manitoba's rural and northern communities

Joint federal and provincial funding will support 15 culture and recreation infrastructure projects in Manitoba. The Government of Canada is investing more than \$13.6 million in these projects through the Rural and Northern Communities Infrastructure stream of the Investing in Canada Infrastructure Program. The Government of Manitoba is funding over \$9.5 million. Project recipients are also contributing approximately \$14.6 million towards eligible costs for their respective projects.

Project Information:

Recipient / Location	Project Name	Project Details	Federal Funding	Provincial Funding	Recipient Funding
