MSC Rule No. 2013-31
(Section 149.1, The Securities Act)

AMENDMENTS TO
NATIONAL INSTRUMENT 81-106
INVESTMENT FUND CONTINUOUS DISCLOSURE

Although this amendment instrument amends section headers in National Instrument 81-106, section headers do not form part of the instrument and are inserted for ease of reference only.

1. National Instrument 81-106 Investment Fund Continuous Disclosure is amended by this instrument.

2. Section 1.1 of National Instrument 81-106 is amended by

(a) adding the following after the definition of "EVCC":

"**financial statements**" includes interim financial reports;;

(b) repealing the definition of "net asset value" and substituting the following:

"**net asset value**" means the value of the total assets of the investment fund less the value of the total liabilities, other than net assets attributable to securityholders, of the investment fund, as at a specific date, determined in accordance with Part 14;;

(c) adding the following after the definition of "non-redeemable investment fund":

"**publicly accountable enterprise**" means a publicly accountable enterprise as defined in the Handbook; and

(d) adding the following after the definition of "scholarship plan":

"**statement of changes in financial position**" means a statement of changes in equity or a statement of changes in net assets attributable to securityholders;.

3. Section 2.1 of National Instrument 81-106 is amended by

(a) striking out "statement of net assets" in paragraph (1)(a) wherever it occurs and substituting "statement of financial position";

(b) striking out "statement of operations" in paragraph (1)(b) wherever it occurs and substituting "statement of comprehensive income";

(c) striking out "statement of changes in net assets" in paragraph (1)(c) wherever it occurs and substituting "statement of changes in financial position";

(d) repealing paragraph (1)(d) and substituting the following:

(d) for financial years beginning on or after January 1, 2014, a statement of cash flows for that financial year and a statement of cash flows for the immediately preceding financial year; and

(e) striking out "; and" at the end of paragraph (1)(e) and repealing paragraph (1)(f) and substituting the following:

(f) a statement of financial position as at the beginning of the immediately preceding financial year if the investment fund discloses in its annual financial statements an unreserved statement of compliance with IFRS and the investment fund:

(i) applies an accounting policy retrospectively in its annual financial statements,

(ii) makes a retrospective restatement of items in its annual financial statements, or

(iii) reclassifies items in its annual financial statements; and

(g) notes to the annual financial statements.

4. *Section 2.3 of National Instrument 81-106 is amended by*

(a) in the title, striking out "Interim Financial Statements" and substituting "Interim Financial Report";

(b) striking out "interim financial statements" and substituting "an interim financial report";

(c) striking out "include" and substituting "includes";

(f) striking out "statement of changes in net assets" in paragraph (c) wherever it occurs and substituting "statement of changes in financial position";

(g) repealing paragraph (d) and substituting the following:

(d) for financial years beginning on or after January 1, 2014, a statement of cash flows for that interim period and a statement of cash flows for the corresponding period in the immediately preceding financial year;; *and*

(h) repealing paragraph (f) and substituting the following:

(f) a statement of financial position as at the beginning of the immediately preceding financial year if the investment fund discloses in its interim financial report an unreserved statement of compliance with International Accounting Standard 34 *Interim Financial Reporting* and the investment fund

(i) applies an accounting policy retrospectively in its interim financial report,

(ii) makes a retrospective restatement of items in its interim financial report, or

(iii) reclassifies items in its interim financial report; and

(g) notes to the interim financial report.

5. Section 2.4 of National Instrument 81-106 is amended by

(a) in the title, striking out "Interim Financial Statements" and substituting "Interim Financial Report"; and

(b) striking out "interim financial statements" and substituting "interim financial report".

6. Section 2.6 of National Instrument 81-106 is repealed and substituted by the following:

Acceptable accounting principles

2.6(1) For financial years beginning before January 1, 2014, the financial statements of an investment fund must be prepared in accordance with Canadian GAAP applicable to public enterprises.

2.6(2) For financial years beginning on or after January 1, 2014, the financial statements of an investment fund must be prepared in accordance with Canadian GAAP applicable to publicly accountable enterprises.

2.6(3) Financial statements must be prepared in accordance with the same accounting principles for all periods presented in the financial statements.

7. Section 2.7 of National Instrument 81-106 is amended by repealing subsection (2) and substituting the following:

2.7(2) For financial years beginning before January 1, 2014, audited financial statements must be accompanied by an auditor's report prepared in accordance with Canadian GAAS and the following requirements:

1. The auditor's report must not contain a reservation or express a modified opinion.
2. The auditor's report must identify all financial periods presented for which the auditor has issued an auditor's report.
3. If the investment fund has changed its auditor and a comparative period presented in the financial statements was audited by a different auditor, the auditor's report must refer to the former auditor's report on the comparative period.
4. The auditor's report must identify the auditing standards used to conduct the audit and the accounting principles used to prepare the financial statements.

2.7(3) For financial years beginning on or after January 1, 2014, audited financial statements must be accompanied by an auditor's report prepared in accordance with Canadian GAAS and the following requirements:

1. The auditor's report expresses an unmodified opinion.
2. The auditor's report identifies all financial periods presented for which the auditor has issued an auditor's report.
3. The auditor's report is in the form specified by Canadian GAAS for an audit of financial statements prepared in accordance with a fair presentation framework.
4. The auditor's report refers to IFRS as the applicable fair presentation framework.

5. If the investment fund has changed its auditor and a comparative period presented in the financial statements was audited by a predecessor auditor, the financial statements are accompanied by the predecessor auditor's report on the comparative period or the auditor's report refers to the predecessor auditor's report on the comparative period.

8. Section 2.9 of National Instrument 81-106 is amended by

(a) striking out "interim financial statements" wherever it occurs and substituting "an interim financial report";

(b) striking out "statement of net assets" wherever it occurs and substituting "statement of financial position";

MANITOBA SECURITIES COMMISSION RULE 91-506
DERIVATIVES: PRODUCT DETERMINATION

Application

1 This Rule applies to Manitoba Securities Commission Rule 91-507 (MSC Rule 2013-37) – *Trade Repositories and Derivatives Data Reporting*.

Excluded derivatives

2(1) A contract or instrument is prescribed not to be a derivative if it is

(a) regulated by,

(i) gaming control legislation of Canada or a jurisdiction of Canada, or

(ii) gaming control legislation of a foreign jurisdiction, if the contract or instrument

(A) is entered into outside of Canada,

(B) is not in violation of legislation of Canada or Manitoba, and

(C) would be regulated under gaming control legislation of Canada or Manitoba if it had been entered into in Manitoba;

(b) an insurance or annuity contract entered into,

(i) with an insurer holding a licence under insurance legislation of Canada or a jurisdiction of Canada and regulated as insurance under that legislation, or

(ii) outside of Canada with an insurer holding a licence under insurance legislation of a foreign jurisdiction, if it would be regulated as insurance under insurance legislation of Canada or Manitoba if it had been entered into in Manitoba;

(c) a contract or instrument for the purchase and sale of currency that,

(i) except where all or part of the delivery of the currency referenced in the contract or instrument is rendered impossible or commercially unreasonable by an intervening event or occurrence not reasonably within the control of the parties, their affiliates or their agents, requires settlement by the delivery of the currency referenced in the contract or instrument,

(A) within two business days, or

(B) after two business days provided that the contract or instrument was entered into contemporaneously with a related security trade and the contract or instrument requires settlement on or before the relevant security trade settlement deadline,

(ii) is intended by the counterparties, at the time of the execution of the transaction, to be settled by the delivery of the currency referenced in the contract within the time periods set out in subparagraph (i), and

(iii) does not allow for the contract or instrument to be rolled over;

(d) a contract or instrument for delivery of a commodity other than cash or currency that,

(i) is intended by the counterparties, at the time of execution of the transaction, to be settled by delivery of the commodity, and

(ii) does not allow for cash settlement in place of delivery except where all or part of the delivery is rendered impossible or commercially unreasonable by an intervening event or occurrence not reasonably within the control of the counterparties, their affiliates, or their agents;

(e) evidence of a deposit issued by a bank listed in Schedule I, II or III to the *Bank Act* (Canada), by an association to which the *Cooperative Credit Associations Act* (Canada) applies or by a company to which the *Trust and Loan Companies Act* (Canada) applies;

(f) evidence of a deposit issued by a credit union or league to which the *Credit Unions and Caisses Populaires Act*, C.C.S.M., c.301 or a similar statute of Canada or a jurisdiction of Canada (other than Manitoba) applies or by a loan corporation or trust corporation registered under Part XXIV *The Corporations Act* (Manitoba) or a similar statute of a jurisdiction of Canada (other than Manitoba); or

(g) traded on an exchange recognized by a securities regulatory authority, an exchange exempt from recognition by a securities regulatory authority or an exchange that is regulated in a foreign jurisdiction by a signatory to the International Organization of Securities Commissions' Multilateral Memorandum of Understanding.

2(2) For the purposes of paragraph (1)(g), an exchange does not include a derivatives trading facility.

Investment contracts and over-the-counter options

3 A contract or instrument, other than a contract or instrument to which section 2 applies, that is a derivative, and that is otherwise a security solely by reason of being an investment contract under paragraph (m) of the definition of "security" in subsection 1(1) of the Act, or being an option described in paragraph (d) of that definition, that is not described in section 5, is prescribed not to be a security.

Derivatives that are securities

4 A contract or instrument, other than a contract or instrument to which any of sections 2 and 3 apply, that is a security and would otherwise be a derivative is prescribed not to be a derivative.

Derivatives prescribed to be securities

5 A contract or instrument that is a security and would otherwise be a derivative, other than a contract or instrument to which any of sections 2 to 4 apply, is prescribed not to be a derivative if such contract or instrument is used by an issuer or affiliate of an issuer solely to compensate an employee or service provider or as a financing instrument and whose underlying interest is a share or stock of that issuer or its affiliate.

Effective date

6 This Instrument comes into force on December 31, 2013.

2(3) In addition to the requirements set out in subsections (1) and (2), an applicant for designation under section 31.6 of the Act whose head office or principal place of business is located in a foreign jurisdiction must file a completed Form 91-507F2 – *Submission to Jurisdiction and Appointment of Agent for Service of Process*.

2(4) Within 7 days of becoming aware of an inaccuracy in or making a change to the information provided in Form 91-507F1, an applicant must file an amendment to Form 91-507F1 in the manner set out in that Form.

Change in information

3(1) Subject to subsection (2), a designated trade repository must not implement a significant change to a matter set out in Form 91-507F1 unless it has filed an amendment to Form 91-507F1 in the manner set out in that Form at least 45 days before implementing the change.

3(2) A designated trade repository must file an amendment to the information provided in Exhibit I (Fees) of Form 91-507F1 in the manner set out in the Form at least 15 days before implementing a change to the information provided in the Exhibit.

3(3) For a change to a matter set out in Form 91-507F1 other than a change referred to in subsection (1) or (2), a designated trade repository must file an amendment to Form 91-507F1 in the manner set out in that Form by the earlier of

(a) the close of business of the designated trade repository on the 10th day after the end of the month in which the change was made, and

(b) the time the designated trade repository publicly discloses the change.

Filing of initial audited financial statements

4(1) An applicant must file audited financial statements for its most recently completed financial year with the Commission as part of its application for designation under section 31.6 of the Act.

4(2) The financial statements referred to in subsection (1) must

(a) be prepared in accordance with one of the following

(i) Canadian GAAP applicable to a publicly accountable enterprise,

(ii) IFRS, or

(iii) U.S. GAAP, if the person or company is incorporated or organized under the laws of the United States of America,

(b) identify in the notes to the financial statements the accounting principles used to prepare the financial statements,

(c) disclose the presentation currency, and

(d) be audited in accordance with

(i) Canadian GAAS,

(ii) International Standards on Auditing, or

(iii) U.S. AICPA GAAS or U.S. PCAOB GAAS if the person or company is incorporated or organized under the laws of the United States of America.

4(3) The financial statements referred to in subsection (1) must be accompanied by an auditor's report that

(a) expresses an unmodified opinion if the financial statements are audited in accordance with Canadian GAAS or International Standards on Auditing,

(b) expresses an unqualified opinion if the financial statements are audited in accordance with U.S. AICPA GAAS or U.S. PCAOB GAAS,

(c) identifies all financial periods presented for which the auditor's report applies,

(d) identifies the auditing standards used to conduct the audit,

(e) identifies the accounting principles used to prepare the financial statements,

(f) is prepared in accordance with the same auditing standards used to conduct the audit, and

(g) is prepared and signed by a person or company that is authorized to sign an auditor's report under the laws of a jurisdiction of Canada or a foreign jurisdiction, and that meets the professional standards of that jurisdiction.

Filing of annual audited and interim financial statements

5(1) A designated trade repository must file annual audited financial statements that comply with the requirements in subsections 4(2) and 4(3) with the Commission no later than the 90th day after the end of its financial year.

5(2) A designated trade repository must file interim financial statements with the Commission no later than the 45th day after the end of each interim period.

5(3) The interim financial statements referred to in subsection (2) must

(a) be prepared in accordance with one of the following

(i) Canadian GAAP applicable to a publicly accountable enterprise,

(ii) IFRS, or

(iii) U.S. GAAP, if the person or company is incorporated or organized under the laws of the United States of America, and

(b) identify in the notes to the financial statements the accounting principles used to prepare the financial statements.

Ceasing to carry on business

6(1) A designated trade repository that intends to cease carrying on business in Manitoba as a trade repository must make an application and file a report on Form 91-507F3 – *Cessation of Operations Report For Trade Repository* at least 180 days before the date on which it intends to cease carrying on that business.

6(2) A designated trade repository that involuntarily ceases to carry on business in Manitoba as a trade repository must file a report on Form 91-507F3 as soon as practicable after it ceases to carry on that business.

Legal framework

7(1) A designated trade repository must establish, implement, maintain and enforce written rules, policies and procedures reasonably designed to ensure a well-founded, clear, transparent, and enforceable legal basis for each material aspect of its activities.

7(2) Without limiting the generality of subsection (1), a designated trade repository must establish, implement, maintain and enforce written rules, policies and procedures that are not contrary to the public interest and that are reasonably designed to ensure that

- (a) such rules, policies and procedures and the contractual arrangements are supported by the laws applicable to those rules, policies, procedures and contractual arrangements,
- (b) the rights and obligations of a user, owner and regulator with respect to the use of the designated trade repository's information are clear and transparent,
- (c) the contractual arrangements that it enters into and supporting documentation clearly state service levels, rights of access, protection of confidential information, intellectual property rights and operational reliability, and
- (d) the status of records of contracts in its repository and whether those records of contracts are the legal contracts of record are clearly established.

Governance

8(1) A designated trade repository must establish, implement and maintain written governance arrangements that

- (a) are well-defined, clear and transparent,
- (b) set out a clear organizational structure with consistent lines of responsibility,
- (c) provide for effective internal controls,
- (d) promote the safety and efficiency of the designated trade repository,
- (e) ensure effective oversight of the designated trade repository,
- (f) support the stability of the broader financial system and other relevant public interest considerations, and
- (g) properly balance the interests of relevant stakeholders.

8(2) A designated trade repository must establish, implement, maintain and enforce written rules, policies and procedures reasonably designed to identify and manage existing and potential conflicts of interest.

8(3) A designated trade repository must publicly disclose on its website

- (a) the governance arrangements established in accordance with subsection (1), and
- (b) the rules, policies and procedures established in accordance with subsection (2).

Board of directors

9(1) A designated trade repository must have a board of directors.

9(2) The board of directors of a designated trade repository must include

- (a) individuals who have an appropriate level of skill and experience to effectively and efficiently oversee the management of its operations in accordance with all relevant laws, and

(b) appropriate representation by individuals who are independent of the designated trade repository.

9(3) The board of directors of a designated trade repository must, in consultation with the chief compliance officer of the designated trade repository, resolve conflicts of interest identified by the chief compliance officer.

9(4) The board of directors of a designated trade repository must meet with the chief compliance officer of the designated trade repository on a regular basis.

Management

10(1) A designated trade repository must establish, implement, maintain and enforce written rules, policies and procedures that

(a) specify the roles and responsibilities of management, and

(b) ensure that management has the experience, competencies, integrity and mix of skills necessary to discharge its roles and responsibilities.

10(2) A designated trade repository must notify the Commission no later than the 5th business day after appointing or replacing its chief compliance officer, chief executive officer or chief risk officer.

Chief compliance officer

11(1) The board of directors of a designated trade repository must appoint a chief compliance officer with the appropriate experience, competencies, integrity and mix of skills necessary to serve in that capacity.

11(2) The chief compliance officer of a designated trade repository must report directly to the board of directors of the designated trade repository or, if so directed by the board of directors, to the chief executive officer of the designated trade repository.

11(3) The chief compliance officer of a designated trade repository must

(a) establish, implement, maintain and enforce written rules, policies and procedures to identify and resolve conflicts of interest,

(b) establish, implement, maintain and enforce written rules, policies and procedures to ensure that the designated trade repository complies with securities legislation,

(c) monitor compliance with the rules, policies and procedures required under paragraphs (a) and (b) on an ongoing basis,

(d) report to the board of directors of the designated trade repository as soon as practicable upon becoming aware of a circumstance indicating that the designated trade repository, or an individual acting on its behalf, is not in compliance with the securities laws of a jurisdiction in which it operates and one or more of the following apply:

(i) the non-compliance creates a risk of harm to a user;

(ii) the non-compliance creates a risk of harm to the capital markets;

(iii) the non-compliance is part of a pattern of non-compliance;

(iv) the non-compliance may have an impact on the ability of the designated trade repository to carry on business as a trade repository in compliance with securities legislation,

(e) report to the designated trade repository's board of directors as soon as practicable upon becoming aware of a conflict of interest that creates a risk of harm to a user or to the capital markets, and

(f) prepare and certify an annual report assessing compliance by the designated trade repository, and individuals acting on its behalf, with securities legislation and submit the report to the board of directors.

11(4) Concurrently with submitting a report under paragraph (3)(d), (3)(e) or (3)(f), the chief compliance officer must file a copy of the report with the Commission.

Fees

12 All fees and other material costs imposed by a designated trade repository on its participants must be

(a) fairly and equitably allocated among participants, and

(b) publicly disclosed on its website for each service it offers with respect to the collection and maintenance of derivatives data.

Access to designated trade repository services

13(1) A designated trade repository must establish, implement, maintain and enforce written rules, policies and procedures that establish objective, risk-based criteria for participation that permit fair and open access to the services it provides.

13(2) A designated trade repository must publicly disclose on its website the rules, policies and procedures referred to in subsection (1).

13(3) A designated trade repository must not do any of the following:

(a) unreasonably prohibit, condition or limit access by a person or company to the services offered by the designated trade repository;

(b) permit unreasonable discrimination among the participants of the designated trade repository;

(c) impose a burden on competition that is not reasonably necessary and appropriate;

(d) require the use or purchase of another service for a person or company to utilize the trade reporting service offered by the designated trade repository.

Acceptance of reporting

14 A designated trade repository must accept derivatives data from a participant for a transaction in a derivative of the asset class or classes set out in the designated trade repository's designation order.

Communication policies, procedures and standards

15 A designated trade repository must use or accommodate relevant internationally accepted communication procedures and standards in order to facilitate the efficient exchange of data between its systems and those of

(a) its participants,

(b) other trade repositories,

- (c) exchanges, clearing agencies, alternative trading systems, and other marketplaces, and
- (d) other service providers.

Due process

16 For a decision made by a designated trade repository that directly adversely affects a participant or an applicant that applies to become a participant, the designated trade repository must ensure that

- (a) the participant or applicant is given an opportunity to be heard or make representations, and
- (b) it keeps records of, gives reasons for, and provides for reviews of its decisions, including, for each applicant, the reasons for granting, denying or limiting access.

Rules, policies and procedures

17(1) The rules, policies and procedures of a designated trade repository must

- (a) be clear and comprehensive and provide sufficient information to enable a participant to have an accurate understanding of its rights and obligations in accessing the services of the designated trade repository and the risks, fees, and other material costs they incur by using the services of the designated trade repository,
- (b) be reasonably designed to govern all aspects of the services offered by the designated trade repository with respect to the collection and maintenance of derivatives data and other information on a completed transaction, and
- (c) not be inconsistent with securities legislation.

17(2) A designated trade repository must monitor compliance with its rules, policies and procedures on an ongoing basis.

17(3) A designated trade repository must establish, implement, maintain and enforce written rules, policies and procedures for sanctioning non-compliance with its rules, policies and procedures.

17(4) A designated trade repository must publicly disclose on its website

- (a) its rules, policies and procedures referred to in this section, and
- (b) its procedures for adopting new rules, policies and procedures or amending existing rules, policies and procedures.

17(5) A designated trade repository must file its proposed new or amended rules, policies and procedures for approval in accordance with the terms and conditions of its designation order, unless the order explicitly exempts the designated trade repository from this requirement.

Records of data reported

18(1) A designated trade repository must design its recordkeeping procedures to ensure that it records derivatives data accurately, completely and on a timely basis.

18(2) A designated trade repository must keep, in a safe location and in a durable form, records of derivatives data in relation to a transaction for the life of the transaction and for a further 7 years after the date on which the transaction expires or terminates.

18(3) Throughout the period described in subsection (2), a designated trade repository must create and maintain at least one copy of each record of derivatives data required to be kept under subsection (2), in a safe location and in a durable form, separate from the location of the original record.

Comprehensive risk-management framework

19 A designated trade repository must establish, implement and maintain a written risk-management framework for comprehensively managing risks including business, legal, and operational risks.

General business risk

20(1) A designated trade repository must establish, implement and maintain appropriate systems, controls and procedures to identify, monitor, and manage its general business risk.

20(2) Without limiting the generality of subsection (1), a designated trade repository must hold sufficient insurance coverage and liquid net assets funded by equity to cover potential general business losses in order that it can continue operations and services as a going concern in order to achieve a recovery or an orderly wind down if those losses materialize.

20(3) For the purposes of subsection (2), a designated trade repository must hold, at a minimum, liquid net assets funded by equity equal to six months of current operating expenses.

20(4) A designated trade repository must identify scenarios that may potentially prevent it from being able to provide its critical operations and services as a going concern and assess the effectiveness of a full range of options for an orderly wind-down.

20(5) A designated trade repository must establish, implement, maintain and enforce written rules, policies and procedures reasonably designed to facilitate its orderly wind-down based on the results of the assessment required by subsection (4).

20(6) A designated trade repository must establish, implement, maintain and enforce written rules, policies and procedures to ensure that it or a successor entity, insolvency administrator or other legal representative, will continue to comply with the requirements of subsection 6(2) and section 37 in the event of the bankruptcy or insolvency of the designated trade repository or the wind-down of the designated trade repository's operations.

System and other operational risk requirements

21(1) A designated trade repository must establish, implement, maintain and enforce appropriate systems, controls and procedures to identify and minimize the impact of all plausible sources of operational risk, both internal and external, including risks to data integrity, data security, business continuity and capacity and performance management.

21(2) The systems, controls and procedures established pursuant to subsection (1) must be approved by the board of directors of the designated trade repository.

21(3) Without limiting the generality of subsection (1), a designated trade repository must

(a) develop and maintain

(i) an adequate system of internal controls over its systems, and

(ii) adequate information technology general controls, including without limitation, controls relating to information systems operations, information security and integrity, change management, problem management, network support and system software support,

(b) in accordance with prudent business practice, on a reasonably frequent basis and, in any event, at least annually

(i) make reasonable current and future capacity estimates, and

(ii) conduct capacity stress tests to determine the ability of those systems to process transactions in an accurate, timely and efficient manner, and

(c) promptly notify the Commission of a material systems failure, malfunction, delay or other disruptive incident, or a breach of data security, integrity or confidentiality, and provide a post-incident report that includes a root-cause analysis as soon as practicable.

21(4) Without limiting the generality of subsection (1), a designated trade repository must establish, implement, maintain and enforce business continuity plans, including disaster recovery plans reasonably designed to

(a) achieve prompt recovery of its operations following a disruption,

(b) allow for the timely recovery of information, including derivatives data, in the event of a disruption, and

(c) provide for the exercise of authority in the event of an emergency.

21(5) A designated trade repository must test its business continuity plans, including disaster recovery plans, at least annually.

21(6) For each of its systems for collecting and maintaining reports of derivatives data, a designated trade repository must annually engage a qualified party to conduct an independent review and prepare a report in accordance with established audit standards to ensure that it is in compliance with paragraphs (3)(a) and (b) and subsections (4) and (5).

21(7) A designated trade repository must provide the report prepared in accordance with subsection (6) to

(a) its board of directors or audit committee promptly upon the completion of the report, and

(b) the Commission not later than the 30th day after providing the report to its board of directors or audit committee.

21(8) A designated trade repository must publicly disclose on its website all technology requirements regarding interfacing with or accessing the services provided by the designated trade repository,

(a) if operations have not begun, sufficiently in advance of operations to allow a reasonable period for testing and system modification by participants, and

(b) if operations have begun, sufficiently in advance of implementing a material change to technology requirements to allow a reasonable period for testing and system modification by participants.

21(9) A designated trade repository must make available testing facilities for interfacing with or accessing the services provided by the designated trade repository,

(a) if operations have not begun, sufficiently in advance of operations to allow a reasonable period for testing and system modification by participants, and

(b) if operations have begun, sufficiently in advance of implementing a material change to technology requirements to allow a reasonable period for testing and system modification by participants.

21(10) A designated trade repository must not begin operations in Manitoba unless it has complied with paragraphs (8)(a) and (9)(a).

21(11) Paragraphs (8)(b) and (9)(b) do not apply to a designated trade repository if

(a) the change to its technology requirements must be made immediately to address a failure, malfunction or material delay of its systems or equipment,

(b) the designated trade repository immediately notifies the Commission of its intention to make the change to its technology requirements, and

(c) the designated trade repository publicly discloses on its website the changed technology requirements as soon as practicable.

Data security and confidentiality

22(1) A designated trade repository must establish, implement, maintain and enforce written rules, policies and procedures reasonably designed to ensure the safety, privacy and confidentiality of the derivatives data.

22(2) A designated trade repository must not release derivatives data for commercial or business purposes unless

(a) the derivatives data has otherwise been disclosed pursuant to section 39, or

(b) the counterparties to the transaction have provided the designated trade repository with their express written consent to use or release the derivatives data.

Confirmation of data and information

23(1) A designated trade repository must establish, implement, maintain and enforce written rules, policies and procedures to confirm with each counterparty to a transaction, or agent acting on behalf of such counterparty, that the derivatives data that the designated trade repository receives from a reporting counterparty, or from a party to whom a reporting counterparty has delegated its reporting obligation under this Rule, is accurate.

23(2) Despite subsection (1), a designated trade repository need only confirm the accuracy of the derivatives data it receives with those counterparties that are participants of the designated trade repository.

Outsourcing

24 If a designated trade repository outsources a material service or system to a service provider, including to an associate or affiliate of the designated trade repository, the designated trade repository must

(a) establish, implement, maintain and enforce written rules, policies and procedures for the selection of a service provider to which a material service or system may be outsourced and for the evaluation and approval of such an outsourcing arrangement,

(b) identify any conflicts of interest between the designated trade repository and a service provider to which a material service or system is outsourced, and establish, implement, maintain and enforce written rules, policies and procedures to mitigate and manage those conflicts of interest,

- (c) enter into a written contract with the service provider that is appropriate for the materiality and nature of the outsourced activity and that provides for adequate termination procedures,
- (d) maintain access to the books and records of the service provider relating to the outsourced activity,
- (e) ensure that the Commission has the same access to all data, information and systems maintained by the service provider on behalf of the designated trade repository that it would have absent the outsourcing arrangement,
- (f) ensure that all persons conducting audits or independent reviews of the designated trade repository under this Rule have appropriate access to all data, information and systems maintained by the service provider on behalf of the designated trade repository that such persons would have absent the outsourcing arrangement,
- (g) take appropriate measures to determine that a service provider to which a material service or system is outsourced establishes, maintains and periodically tests an appropriate business continuity plan, including a disaster recovery plan in accordance with the requirements under section 21,
- (h) take appropriate measures to ensure that the service provider protects the safety, privacy and confidentiality of derivatives data and of users' confidential information in accordance with the requirements under section 22, and
- (i) establish, implement, maintain and enforce written rules, policies and procedures to regularly review the performance of the service provider under the outsourcing arrangement.

PART 3 – DATA REPORTING

Reporting counterparty

25(1) The reporting counterparty with respect to a transaction involving a local counterparty is

- (a) if the transaction is cleared through a recognized or exempt clearing agency, the recognized or exempt clearing agency,
- (b) if the transaction is not cleared through a recognized or exempt clearing agency and is between two derivatives dealers, each derivatives dealer,
- (c) if the transaction is not cleared through a recognized or exempt clearing agency and is between a derivatives dealer and a counterparty that is not a derivatives dealer, the derivatives dealer, and
- (d) in any other case, each local counterparty to the transaction.

25(2) A local counterparty to a transaction must act as the reporting counterparty to the transaction for the purposes of this Rule if

- (a) the reporting counterparty to the transaction as determined under paragraph (1)(c) is not a local counterparty, and
- (b) by the end of the second business day following the day on which derivatives data is required to be reported under this Part, the local counterparty has not received confirmation that the derivatives data for the transaction has been reported by the reporting counterparty.

Duty to report

26(1) A reporting counterparty to a transaction involving a local counterparty must report, or cause to be reported, the data required to be reported under this Part to a designated trade repository.

26(2) A reporting counterparty in respect of a transaction is responsible for ensuring that all reporting obligations in respect of that transaction have been fulfilled.

26(3) A reporting counterparty may delegate its reporting obligations under this Rule, but remains responsible for ensuring the timely and accurate reporting of derivatives data required by this Rule.

26(4) Despite subsection (1), if no designated trade repository accepts the data required to be reported by this Part, the reporting counterparty must electronically report the data required to be reported by this Part to the Commission.

26(5) A reporting counterparty satisfies the reporting obligation in respect of a transaction required to be reported under subsection (1) if

(a) the transaction is required to be reported solely because a counterparty to the transaction is a local counterparty pursuant to paragraph (b) or (c) of the definition of "local counterparty",

(b) the transaction is reported to a designated trade repository pursuant to

(i) the securities legislation of a province of Canada other than Manitoba, or

(ii) the laws of a foreign jurisdiction listed in Appendix B; and

(c) the reporting counterparty instructs the designated trade repository referred to in paragraph (b) to provide the Commission with access to the derivatives data that it is required to report pursuant to this Rule and otherwise uses its best efforts to provide the Commission with access to such derivatives data.

26(6) A reporting counterparty must ensure that all reported derivatives data relating to a transaction

(a) is reported to the same designated trade repository to which the initial report was made or, if the initial report was made to the Commission under subsection (4), to the Commission, and

(b) is accurate and contains no misrepresentation.

26(7) A reporting counterparty must report an error or omission in the derivatives data as soon as technologically practicable upon discovery of the error or omission, and in no event later than the end of the business day following the day of discovery of the error or omission.

26(8) A local counterparty, other than the reporting counterparty, must notify the reporting counterparty of an error or omission with respect to derivatives data relating to a transaction to which it is a counterparty as soon as technologically practicable upon discovery of the error or omission, and in no event later than the end of the business day following the day of discovery of the error or omission.

26(9) A recognized or exempt clearing agency must report derivatives data to the designated trade repository specified by a local counterparty and may not report derivatives data to another trade repository without the consent of the local counterparty where

(a) the reporting counterparty to a transaction is the recognized or exempt clearing agency, and

(b) the local counterparty to the transaction that is not a recognized or exempt clearing agency has specified a designated trade repository to which derivatives data in respect of that transaction is to be reported.

Identifiers, general

27 A reporting counterparty must include the following in every report required by this Part:

- (a) the legal entity identifier of each counterparty to the transaction as set out in section 28;
- (b) the unique transaction identifier for the transaction as set out in section 29;
- (c) the unique product identifier for the transaction as set out in section 30.

Legal entity identifiers

28(1) A designated trade repository must identify each counterparty to a transaction that is required to be reported under this Rule in all recordkeeping and all reporting required under this Rule by means of a single legal entity identifier.

28(2) Each of the following rules apply to legal entity identifiers

- (a) a legal entity identifier must be a unique identification code assigned to a counterparty in accordance with the standards set by the Global Legal Entity Identifier System, and
- (b) a local counterparty must comply with all applicable requirements imposed by the Global Legal Entity Identifier System.

28(3) Despite subsection (2), if the Global Legal Entity Identifier System is unavailable to a counterparty to a transaction at the time when a report under this Rule is required to be made, all of the following rules apply

- (a) each counterparty to the transaction must obtain a substitute legal entity identifier which complies with the standards established March 8, 2013 by the Legal Entity Identifier Regulatory Oversight Committee for pre-legal entity identifiers,
- (b) a local counterparty must use the substitute legal entity identifier until a legal entity identifier is assigned to the counterparty in accordance with the standards set by the Global Legal Entity Identifier System as required under paragraph (2)(a), and
- (c) after the holder of a substitute legal entity identifier is assigned a legal entity identifier in accordance with the standards set by the Global Legal Entity Identifier System as required under paragraph (2)(a), the local counterparty must ensure that it is identified only by the assigned legal entity identifier in all derivatives data reported pursuant to this Rule in respect of transactions to which it is a counterparty.

Unique transaction identifiers

29(1) A designated trade repository must identify each transaction that is required to be reported under this Rule in all recordkeeping and all reporting required under this Rule by means of a unique transaction identifier.

29(2) A designated trade repository must assign a unique transaction identifier to a transaction, using its own methodology or incorporating a unique transaction identifier previously assigned to the transaction.

29(3) A designated trade repository must not assign more than one unique transaction identifier to a transaction.

Unique product identifiers

30(1) For the purposes of this section, a unique product identifier means a code that uniquely identifies a derivative and is assigned in accordance with international or industry standards.

30(2) A reporting counterparty must identify each transaction that is required to be reported under this Rule in all recordkeeping and all reporting required under this Rule by means of a unique product identifier.

30(3) A reporting counterparty must not assign more than one unique product identifier to a transaction.

30(4) If international or industry standards for a unique product identifier are unavailable for a particular derivative when a report is required to be made to a designated trade repository under this Rule, a reporting counterparty must assign a unique product identifier to the transaction using its own methodology.

Creation data

31(1) Upon execution of a transaction that is required to be reported under this Rule, a reporting counterparty must report the creation data relating to that transaction to a designated trade repository.

31(2) A reporting counterparty in respect of a transaction must report creation data in real time.

31(3) If it is not technologically practicable to report creation data in real time, a reporting counterparty must report creation data as soon as technologically practicable and in no event later than the end of the business day following the day on which the data would otherwise be required to be reported.

31(4) Despite subsections (2) and (3), a local counterparty that is required to act as reporting counterparty to a transaction under subsection 25(2) must report the creation data relating to the transaction in no event later than the end of the third business day following the day on which the data would otherwise be required to be reported.

Life-cycle event data

32(1) For a transaction that is required to be reported under this Rule, the reporting counterparty must report all life-cycle event data to a designated trade repository by the end of the business day on which the life-cycle event occurs.

32(2) If it is not technologically practicable to report life-cycle event data by the end of the business day on which the life-cycle event occurs, the reporting counterparty must report life-cycle event data no later than the end of the business day following the day on which the life-cycle event occurs.

Valuation data

33(1) For a transaction that is required to be reported under this Rule, a reporting counterparty must report valuation data, based on industry accepted valuation standards, to a designated trade repository

(a) daily, based on relevant closing market data from the previous business day, if the reporting counterparty is a derivatives dealer or a recognized or exempt clearing agency, or

(b) quarterly, as of the last day of each calendar quarter, if the reporting counterparty is not a derivatives dealer or a recognized or exempt clearing agency.

33(2) Valuation data required to be reported pursuant to paragraph 1(b) must be reported to the designated trade repository no later than 30 days after the end of the calendar quarter.

Pre-existing transactions

34(1) Despite section 31 and subject to subsection 43(5), for a transaction required to be reported pursuant to subsection 26(1) that was entered into before July 2, 2014 and that had outstanding contractual obligations on that day

(a) a reporting counterparty to the transaction is required to report only that creation data indicated in the column entitled "Required for Pre-existing Transactions" in Appendix A, and

(b) the creation data required to be reported pursuant to paragraph (a) must be reported no later than December 31, 2014.

34(2) Despite section 32, for a transaction to which subsection (1) applies, a reporting counterparty's obligation to report life-cycle event data under section 32 commences only after it has reported creation data in accordance with subsection (1).

34(3) Despite section 33, for a transaction to which subsection (1) applies, a reporting counterparty's obligation to report valuation data under section 33 commences only after it has reported creation data in accordance with subsection (1).

Timing requirements for reporting data to another designated trade repository

35 Despite the data reporting timing requirements in sections 31, 32, 33 and 34, where a designated trade repository ceases operations or stops accepting derivatives data for a certain asset class of derivatives, the reporting counterparty may fulfill its reporting obligations under this Rule by reporting the derivatives data to another designated trade repository, or the Commission if there is not an available designated trade repository, within a reasonable period of time.

Records of data reported

36(1) A reporting counterparty must keep transaction records for the life of each transaction and for a further 7 years after the date on which the transaction expires or terminates.

36(2) A reporting counterparty must keep records referred to in subsection (1) in a safe location and in a durable form.

PART 4 – DATA DISSEMINATION AND ACCESS TO DATA**Data available to regulators**

37(1) A designated trade repository must, at no cost

(a) provide to the Commission direct, continuous and timely electronic access to such data in the designated trade repository's possession as is required by the Commission in order to carry out the Commission's mandate,

(b) accept and promptly fulfil any data requests from the Commission in order to carry out the Commission's mandate,

(c) create and make available to the Commission aggregate data derived from data in the designated trade repository's possession as required by the Commission in order to carry out the Commission's mandate, and

(d) disclose to the Commission the manner in which the derivatives data provided under paragraph (c) has been aggregated.

37(2) A designated trade repository must conform to internationally accepted regulatory access standards applicable to trade repositories.

37(3) A reporting counterparty must use its best efforts to provide the Commission with access to all derivatives data that it is required to report pursuant to this Rule, including instructing a trade repository to provide the Commission with access to such data.

Data available to counterparties

38(1) A designated trade repository must provide counterparties to a transaction with timely access to all derivatives data relevant to that transaction which is submitted to the designated trade repository.

38(2) A designated trade repository must have appropriate verification and authorization procedures in place to deal with access pursuant to subsection (1) by non-reporting counterparties or a party acting on behalf of a non-reporting counterparty.

38(3) Each counterparty to a transaction is deemed to have consented to the release of all derivatives data required to be reported or disclosed under this Rule.

38(4) Subsection (3) applies despite any agreement to the contrary between the counterparties to a transaction.

Data available to public

39(1) A designated trade repository must, on a periodic basis, create and make available to the public, at no cost, aggregate data on open positions, volume, number and price, relating to the transactions reported to it pursuant to this Rule.

39(2) The periodic aggregate data made available to the public pursuant to subsection (1) must be complemented at a minimum by breakdowns, where applicable, by currency of denomination, geographic location of reference entity or asset, asset class, contract type, maturity and whether the transaction is cleared.

39(3) A designated trade repository must make transaction level reports of the data indicated in the column entitled "Required for Public Dissemination" in Appendix A for each transaction reported pursuant to this Rule available to the public at no cost not later than

(a) the end of the day following the day on which it receives the data from the reporting counterparty to the transaction, if one of the counterparties to the transaction is a derivatives dealer, or

(b) the end of the second day following the day on which it receives the data from the reporting counterparty to the transaction in all other circumstances.

39(4) In disclosing transaction level reports required by subsection (3), a designated trade repository must not disclose the identity of either counterparty to the transaction.

39(5) A designated trade repository must make the data required to be made available to the public under this section available in a usable form through a publicly accessible website or other publicly accessible technology or medium.

39(6) Despite subsections (1) to (5), a designated trade repository is not required to make public any derivatives data for transactions entered into between affiliated companies as defined under subsection 1(2) of the Act.

PART 5 – EXCLUSIONS

40 Despite any other section of this Rule, a local counterparty is under no obligation to report derivatives data for a transaction if,

(a) the transaction relates to a derivative the asset class of which is a commodity other than cash or currency,

(b) the local counterparty is not a derivatives dealer, and

(c) the local counterparty has less than \$500,000 aggregate notional value, without netting, under all its outstanding transactions at the time of the transaction including the additional notional value related to that transaction.

41 Despite any other section of this Rule, a counterparty is under no obligation to report derivatives data in relation to a transaction if it is entered into between

(a) Her Majesty in right of Manitoba, and

(b) an Manitoba crown corporation or crown agency that forms part of a consolidated entity with Her Majesty in right of Manitoba for accounting purposes.

PART 6 – EXEMPTIONS

42 A Director may grant an exemption to this Rule, in whole or in part, subject to such conditions or restrictions as may be imposed in the exemption.

PART 7 – EFFECTIVE DATE**Effective date**

43(1) Parts 1, 2, 4, and 6 come into force on December 31, 2013.

43(2) Despite subsection (1), subsection 39(3) does not apply until December 31, 2014.

43(3) Parts 3 and 5 come into force July 2, 2014.

43(4) Despite subsection (3), Part 3 does not apply so as to require a reporting counterparty that is not a derivatives dealer to make any reports under that Part until September 30, 2014.

43(5) Despite the foregoing, Part 3 does not apply to a transaction entered into before July 2, 2014 that expires or terminates not later than December 31, 2014.

EXHIBITS

File all Exhibits with the Filing. For each Exhibit, include the name of the trade repository, the date of filing of the Exhibit and the date as of which the information is accurate (if different from the date of the filing). If any Exhibit required is inapplicable, a statement to that effect shall be furnished instead of such Exhibit.

Except as provided below, if the filer files an amendment to the information provided in its Filing and the information relates to an Exhibit filed with the Filing or a subsequent amendment, the filer must, in order to comply with section 3 of MSC Rule 91-507 Trade Repositories and Derivatives Data Reporting (the "TR Rule"), provide a description of the change, the expected date of the implementation of the change, and file a complete and updated Exhibit. The filer must provide a clean and blacklined version showing changes from the previous filing.

If the filer has otherwise filed the information required by the previous paragraph pursuant to section 17 of the TR Rule, it is not required to file the information again as an amendment to an Exhibit. However, if supplementary material relating to a filed rule is contained in an Exhibit, an amendment to the Exhibit must also be filed.
