Glenlawn Collegiate  
 770 St. Mary's Rd  
 Winnipeg MB R2M 3N7

Dear Parent/Guardian of Students at Glenlawn Collegiate,

Manitoba public health officials advised Glenlawn Collegiate today of two confirmed cases of COVID-19 in the school when the individuals may have been infectious. One on November 2 and 3, and one on November 2.

Glenlawn Collegiate is working closely with public health officials and following their recommendations. Based on the public health investigation, these exposures were assessed to be low risk overall for the school community. No close contacts in the school have been identified. No one is required to self-isolate from these exposures.

Please note: the school is not permitted to release the name or any identifying information about the confirmed case of COVID-19 to any member of the school, community or media.

If you have not been contacted by a separate letter, your child(ren) have not been identified as being exposed to COVID-19 from this case. However, if your child develops a new onset or worsening of any one symptom listed in Column A or any two or more symptoms listed in Column B (see table below), even if they are mild, immediately isolate them from others. It is recommended your child get tested for COVID-19 as soon as symptoms appear. Call Health Links—Info Santé at 204-788-8200 or toll-free at 1-888-315-9257 for information on testing and isolation.
