November 6, 2020

Winnipeg Adult Education Centre
310 Vaughn St.
Winnipeg, MB

Dear Students at Winnipeg Adult Education Centre,

Manitoba public health officials advised Winnipeg Adult Education Centre today of a confirmed case of COVID-19 present in the school on October 28 and November 2, 2020 when the individual may have been infectious.

Winnipeg Adult Education Centre is working closely with public health officials and following their recommendations. Based on the public health investigation, these exposures were assessed to be low risk for the school community. One close contact was identified in the school. As well, students in the affected classroom have been advised to monitor their symptoms.

Please note: the school is not permitted to release the name or any identifying information about the confirmed case of COVID-19 to any member of the school, community or media.

If you develop a new onset or worsening of any one symptom listed in Column A or any two or more symptoms listed in Column B (see table below), even if they are mild, immediately isolate from others. It is recommended you get tested for COVID-19 as soon as symptoms appear. You may go directly to the nearest COVID-19 testing location during their open hours. For the testing site nearest you, please visit gov.mb.ca/covid19/locations.html, or call Health Links-Info Santé at 204-788-8200 or toll-free at 1-888-315-9257.

A	B
Fever/Chills	Runny nose
Cough	Muscle aches
Sore throat/hoarse voice	Fatigue
Shortness of breath/difficulty breathing	Pink eye (conjunctivitis)
Loss of taste or smell	Headache
Vomiting or diarrhea for more than 24 hours	Skin rash of unknown cause

	Nausea or loss of appetite
	Poor feeding (if an infant)

Please note: individuals with symptoms outlined in columns A and B, who choose not to be tested, must isolate for a minimum of 10 days following the start of symptoms. Isolation can be stopped at day 10 if the individual has been symptom-free for 24 hours.

For more public health information about COVID-19, please visit <https://manitoba.ca/covid19/updates/resources.html>.

Sincerely,

Dr. Lisa Richards MD MSc FRCPC
Medical Officer of Health
