# Predator Resistant Fence Construction Program Application Worksheet

**Applicant Information:** Enter contact information for the Business and the primary contact person. Information must match the Applicant Information Form.

Legal Name of Business or Organization

|                      |               |
|----------------------|---------------|
|                      |               |
| Last Name            | First Name    |
|                      |               |
| Primary Phone Number | Primary Email |
|                      |               |

### Project Title:

Construction of predator resistant fencing to reduce the risk of livestock predation.

### Project Summary:

The project will accelerate adoption of predator resistant fencing that reduces the risk of livestock predation by wolves, coyotes, bears, and other predators.

### Commodity and Industry Impact: select the primary sector impacted by this project

|                                                                                                                                                                                                  |  |
|--------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|--|
|                                                                                                                                                                                                  |  |
| If "Other", please describe                                                                                                                                                                      |  |
| <i>If more than one sector or commodity will be impacted by project activities, please select which sector or commodity would be considered impacted the most or considered as the majority.</i> |  |

## Identification of Under-represented Groups

|                                                                                                                                                                                 |                                                                                        |                                                                                       |
|---------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|----------------------------------------------------------------------------------------|---------------------------------------------------------------------------------------|
| <p>Select any of the following groups who will <b>directly benefit from the project's activities</b></p> <p><b>Select all that apply. At least one box must be checked.</b></p> | <p>Indigenous People</p> <p>First Nations</p> <p>Métis</p> <p>Inuit</p> <p>Unknown</p> | <p>Women</p> <p>Youth (under 40)</p> <p>Not applicable</p> <p>Decline to identify</p> |
| <p>Your response is for information purposes only and will not affect the assessment of the application</p>                                                                     |                                                                                        |                                                                                       |

## Project Location: using one of the options below, indicate the location where the majority of project activities will take place

|                                                                                                                                                                                                                                                                                                                                                                                                                                      |  |
|--------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|--|
| Rural Municipality                                                                                                                                                                                                                                                                                                                                                                                                                   |  |
| Indigenous/First Nation Community                                                                                                                                                                                                                                                                                                                                                                                                    |  |
| <ul style="list-style-type: none"> <li>Use Rural Municipality if the majority of project activities are occurring in a specific area or location. If the project takes place across two or more municipalities, select the single municipality where the majority of project activities are occurring.</li> <li>Use Indigenous/First Nation Community if project activities are occurring primarily within the community.</li> </ul> |  |

## Herd Size: Complete the table below for livestock on your farm as of June 30, 2025

| Livestock Type                                                                                                                                                                | Number of Head |
|-------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|----------------|
| Beef Breeding Stock (cows, bulls, bred heifers)                                                                                                                               |                |
| Other Beef Cattle (calves, steers, market heifers, stockers etc.)                                                                                                             |                |
| Sheep (ewes, rams, lambs)                                                                                                                                                     |                |
| Goats, Horses, Hogs, Wild Boars, Elk, Fallow Deer, Bison, Llamas, Donkeys, Ostriches, Emus, or Other Ratites                                                                  |                |
| <p><b>Note:</b> The livestock stated above are the types of livestock eligible for the Wildlife Damage Compensation Program. Purchases must be to protect such livestock.</p> |                |

**Pasture Capacity:** Provide the pasture acres on your farm as of June 30, 2025

Indicate how many acres of pasture your animals utilize during growing season months, including owned, rented/leased pastures or community pastures (select one)

|               |            |              |                 |
|---------------|------------|--------------|-----------------|
| Less than 160 | 160 to 640 | 640 to 1,280 | More than 1,280 |
|---------------|------------|--------------|-----------------|

**Predation History:** Complete the information below for livestock predation losses on your farm since 2021

Indicate the number of head of paid predation claims, by type, between April 1, 2021 and October 30, 2025. Leave blank or enter 0 if no paid claims.

| Livestock Type                                                                                               | Number of Head Included in Paid Claims |
|--------------------------------------------------------------------------------------------------------------|----------------------------------------|
| Beef Breeding Stock (cows, bulls, replacements)                                                              |                                        |
| Other Beef Cattle (calves, steers, market heifers, stockers etc.)                                            |                                        |
| Sheep (ewes, rams, lambs)                                                                                    |                                        |
| Goats, Horses, Hogs, Wild Boars, Elk, Fallow Deer, Bison, Llamas, Donkeys, Ostriches, Emus, or Other Ratites |                                        |

Indicate in which years you have incurred a paid predation claim under the Wildlife Damage Compensation Program. Indicate **Yes** if a paid claim was incurred and **No** or leave blank if a paid claim was not incurred.

| Year                   | 2021 | 2022 | 2023 | 2024 | 2025 |
|------------------------|------|------|------|------|------|
| Paid Claim (Yes or No) |      |      |      |      |      |

**Note:** a year is from January 1 through to December 31.

Indicate the number of head of livestock that were suspected as missing due to predation but with no carcass found. Report the total number of head from January 1, 2021 to October 30, 2025. Leave blank or enter 0 if no missing head.

| Species                                                                                                      | Number of Head Missing |
|--------------------------------------------------------------------------------------------------------------|------------------------|
| Beef Breeding Stock (cows, bulls, replacements)                                                              |                        |
| Other Beef Cattle (calves, steers, market heifers, stockers etc.)                                            |                        |
| Sheep (ewes, rams, lambs)                                                                                    |                        |
| Goats, Horses, Hogs, Wild Boars, Elk, Fallow Deer, Bison, Llamas, Donkeys, Ostriches, Emus, or Other Ratites |                        |

Indicate which predator is responsible for the largest number of herd losses between 2021 and today (select one)

Coyote  
Wolf  
Bear  
Cougar  
Fox

### Livestock Predation Risk and Your Proposed Fence Construction and/or Deadstock Compost Pen Projects

Use the dropdown menus below to identify the top three (3) risks that increase livestock predation on your farm.

**Risk 1**

**Risk 2**

**Risk 3**

Describe steps taken in the past to address predation risks on your farm, including how effective you have found them (max. 1,000 characters)

Describe how your proposed fence construction and/or deadstock compost pen projects will help control the major risks for livestock predation on your farm. Indicate if it will complement other tactics that you are using to control predation (max. 1,000 characters)

## Project Timeline and Budget

### Timeline

| Estimated Start Date<br>(earliest start date <b>April 1, 2026</b> ) | Estimated End Date<br>(latest end date <b>October 30, 2026</b> ) |
|---------------------------------------------------------------------|------------------------------------------------------------------|
|                                                                     |                                                                  |

### Budget: before completing the budget table, please review the following information

- If the project is approved for funding, the project will be cost shared between the applicant and the government at a ratio and maximum funding amount as outlined in the Program Guide. Additional information on specific eligible expenses, can be found in the Program Guide.
- The applicant must incur, and have paid, all eligible and approved expenses associated with the project before reimbursement. Invoices and proof of payment in the name of a party other than the Applicant will not be considered.
- All costs listed in the budget table must exclude GST.
- Financial information must be in Canadian dollars.
- Multiple applications from a single eligible applicant will not be accepted. Ensure that you have included all eligible expenses in the budget tables below before you submit.
- Eligible expenses must occur on or after **April 1, 2026**.
- Completed Application Worksheets and all supporting documentation must be submitted by **December 8, 2025**. Applications will not be accepted after this deadline.
- If the project is approved it must be completed by **October 30, 2026**.
- Risk assessment must be completed by **November 27, 2026**.
- Fence inspections must be completed by **November 27, 2026**.
- Existing fences retrofitted by adding an apron must meet or exceed the standards in the Program Guide.

### Other Sources of Funding

If applicable, indicate the source, amount and description of other (non-Sustainable CAP) funding that will be received for this project. If other sources of funding are being used for a specific item, please specify in the Description column.

| Source of Contribution | Amount<br>(Canadian dollars) | Description | Contribution Status |
|------------------------|------------------------------|-------------|---------------------|
|                        |                              |             |                     |
|                        |                              |             |                     |
|                        |                              |             |                     |
|                        |                              |             |                     |
|                        |                              |             |                     |

**Fence Construction Details:** Provide details of fence construction project(s). The potential funding available is determined by the Type of Fence, Height of Fence, and Linear Feet of Fence Being Constructed.

**Fence Construction Projects:** multiple different fences can be completed, please complete a new table for each unique fence

- **Type of Area Fenced:** If the fence area is used for more than one purpose, select the purpose where you expect the greatest reduction in predation. For example, if the area is for both calving and pasture, will the greatest benefit be when used as a calving area or pasture?
- **Primary Type of Livestock Protected and Estimated Number of Head:** If the fence project is for more than one type of livestock, enter the type of livestock which will make up the largest number of head housed within the fenced area or composted in the deadstock area. Enter the estimated number of head for this type of livestock that will be housed or composted there over a typical year.
- **Primary Legal Land Location:** If a fence project spans more than one legal land location, enter the land location where most of the fence is located.
- **Linear Feet of Fence Being Constructed:** Enter total linear feet of the fence being constructed, including portions of the fence not located on the primary legal land location.

| Fence 1                                                                                |                         |                     |                                        |
|----------------------------------------------------------------------------------------|-------------------------|---------------------|----------------------------------------|
| Type of Area Fenced (if "Other" is selected, describe below)                           |                         |                     |                                        |
|                                                                                        |                         |                     |                                        |
| Primary Type of Livestock Housed or Composted (if "Other" is selected, describe below) |                         |                     |                                        |
|                                                                                        |                         |                     |                                        |
| Type of Fence                                                                          | Estimate Number of Head | Legal Land Location | Linear Feet of Fence Being Constructed |
|                                                                                        |                         |                     |                                        |

## Privacy Notice and Declaration

The Department of Agriculture ("Manitoba Agriculture") is collecting Applicant information, which may include personal information, under the authority of clause 36(1)(b) of The Freedom of Information and Protection of Privacy Act ("FIPPA") as the information relates directly to, and is necessary for, determining and verifying Applicant eligibility for programs administered under the Sustainable Canadian Agricultural Partnership ("Program").

Manitoba Agriculture is authorized to use information, which may include personal information, under the authority of clause 43(1)(a) of FIPPA, for the purpose of determining and verifying Applicant eligibility for the Program.

Manitoba Agriculture is authorized to disclose information to the Government of Canada, which may include personal information, under the authority of clauses 44(1)(i) and 44(1)(x.1) of FIPPA, in order to facilitate the monitoring and evaluation of a shared cost program or service.

All personal information collected by Manitoba Agriculture is protected under FIPPA. Personal information cannot be used or disclosed for any other purpose, unless consent is provided or the disclosure is authorized or required under FIPPA.

Should you have any questions about the collection, use or disclosure of personal information, contact the Access and Privacy Co-ordinator at 204-945-4823.

**This Declaration must be completed by a duly authorized representative of the Applicant.**

**Checking the boxes below indicates acceptance and is required.**

The Applicant has read and understands the Program Guide and confirms that the Applicant meets all of the requirements of an eligible applicant.

The Applicant has read and understands the Program Terms and Conditions.

If the Applicant's funding request is approved, the Applicant agrees to comply with the Program Guide and the Program Terms and Conditions.

The Applicant understands that information from Wildlife Damage Compensation Program will be shared by Manitoba Agriculture Services Corporation with Manitoba Agriculture for the purpose of project verification and evaluation.

The applicant understands that if the project is approved, an on-farm inspection by a Manitoba Agriculture Services Corporation representative will take place to verify that the fence or fences constructed meet standards for deterring predation.

The Applicant represents and warrants that no Manitoba government employee holds a 50% or more ownership interest in the business or organization that is applying for funding.

The Applicant represents and warrants that no current or former member of the Legislative Assembly of Manitoba holds an ownership interest in the business or organization that is applying for funding.

The Applicant understands that if the Applicant's funding request is approved, that approval and payment of funding is subject to and conditional upon the Applicant signing a written funding agreement, satisfactory in form and content to Manitoba Agriculture.

The information provided in this Application Worksheet is complete, true, and accurate.

The Applicant confirms that the information provided in the Applicant Information Form:

- a) previously submitted under the Sustainable CAP Program; or
- b) submitted together with this Application Worksheet;

is complete, true, and accurate.

|  | Date Application Worksheet completed and submitted<br>(YYYY – MM – DD) |
|--|------------------------------------------------------------------------|

Submit Application Worksheet along with any associated documents together by email to [agriculture@gov.mb.ca](mailto:agriculture@gov.mb.ca)

For more information, contact [agriculture@gov.mb.ca](mailto:agriculture@gov.mb.ca) or call 1-800-811-4411.

**Submit your application by email to [agriculture@gov.mb.ca](mailto:agriculture@gov.mb.ca).**

Only complete applications will be accepted. Complete applications must include:

1. **[Applicant Information Form](#)** if this is your first time applying to the Sustainable Canadian Agricultural Partnership (Sustainable CAP)
  - If you previously applied to Sustainable CAP, the Applicant Information Form doesn't need to be submitted again.
  - If you are unsure if you have previously applied for funding or if your applicant information has changed, email the Program Administrator at: [agriculture@gov.mb.ca](mailto:agriculture@gov.mb.ca)

2. **Application Worksheet** – all required sections must be completed.

**For more information, contact [agriculture@gov.mb.ca](mailto:agriculture@gov.mb.ca) or call 1-800-811-4411.**
