

# Application for a Rent Status Report on a Residential Complex

## A Rent Status Report includes the following information:

1. File status - a listing of current file activity on this complex.
2. Record of rent increase notices filed for this complex.
3. Rent Status – a history of registered rents for this complex.

The rent status report is based on information provided to the Residential Tenancies Branch by the landlord. The Government of Manitoba (which includes the Residential Tenancies Branch) does not guarantee the accuracy of the information set out in this report nor does it guarantee that the information is up to date, *except where rents are set by an order under The Residential Tenancies Act.*
