1852-1853**	[probably Labourer]	Puget Sound Agricultural Company [probably farm on Vancouver Island]	Columbia	B.239/g/92; B/226/d/3a; B.226/d/211
1853-1854**	[probably Labourer]	Esquimalt	Columbia	B.226/g/1; B.226/d/3a

\*\*From the records consulted, it is not possible to determine precisely when William Hunt left the Hudson's Bay Company. In the servants' accounts for 1852-1853 there is the notation that he deserted 26 July 1852 (B.239/g/92). However, other records indicate that he was employed during the year of 1853-1854 (B.226/g/1; B.226/d/3,211). In the 1854-1855 year, he evidently traded goods with the Company (B.226/g/2). No references to him have been traced after 1855.
