Records consulted do not give the names of posts; however, John Robertson 'E' signed a contract at Fort Yukon on 29 April 1853, aged 26 (HBCA A.32/51, fo. 127) The fact that he worked as a storesman suggests that he was at Norway House itself, where there was a large warehouse.

He was the brother of Robert Robertson (fl. 1851-1860)
See E.193 for additional information.
