UNIT NUMBER:

PAGWA

AREA OF SERVICE: PAGWA-PAGWACHUAN RIVER-KINOAMI-
ALBANY-JAMES BAY (1846-1851)

PHYSICAL DESCRIPTION:

Construction:

Dimensions:
Draft:
Number of passengers: Number of crew:
Plans:
Power:
Registered:
Speed:
Tonnage:

HISTORY:
1923 Built for the Hudson’s Bay Company when it decided to operate its own scow brigade in the Lake Huron and James Bay Districts rather than pay Revillon Frères. Pagwa Transport operated with a motor boat and eight to ten scows (A.92/19/43 FT 3149; RG2/1/6, Minute No. 715).

1924, 6 June While “moored to the bank at English River on her return from Albany [she] caught fire and burned to the water’s edge, eventually sinking in midstream and becoming a total loss” (A.92/19/6 FT 4059).

MASTERS:
None identified.
