**FIPPA -- DEPARTMENTAL ACCESS REQUESTS LIST**  
**Week of: April 12 - April 18, 2019**

Department	Request
Municipal Relations	<p>Requests access to copies of any and all records in written and digital format as it relates to any and all property tax assessments made at the applicant's property [location removed] beginning on January 1, 2006. This application includes any and all records including - but not limited to - this specific property. This would include any and all records that have mention of this specific address, or of this legal description, or of this assessment roll. This request must include the name(s) of government employees in charge of this file or whom had any input into assessing this property, including all dates when an assessor reviewed this property, which show any changes (or reasons for changes) that resulted from that work, and any changes made to the status of any assessment. This request also includes any records that include correspondence with any member of staff, or any assessment officers employed with Assessment Services, including but not limited to any and all documents handled by [name removed] (Assessment Officer) or any Supervisor or Manager within this Department as it relates to said property. This request must include any photos taken of the property (with dates) including copies of any photos taken of the property that show the position of sheds or any other property that has previously been added into assessment calculations. This request should include copies of any records that show building dimensions, square footage calculations, depreciation calculations, materials used in construction (specifically brick). This request must show how any square footage for any and all buildings has been calculated, and any items or features that have added into the assessed that have an effect of increasing the value of this property. This request must produce any and all notes related to said property, including copies of meetings, aerial or land photos, both written and digital notes, files, emails, documents, questions, any contacts or attempted contacts with property owners (including method and dates).</p>
Municipal Relations	<p>Requests access to records regarding ownership of Taxicab Licence [number removed] between 1994 and 2018. In particular 1) dates of ownership changes, 2) parties to the transfer, 3) consideration paid.</p>
Sustainable Development	<p>Requests access to all correspondence between any combination of Deputy Minister Rob Olson, Assistant Deputy Minister Nicole Armstrong, Minister Rochelle Squires on the topic of Pineland Forest Nursery from January 2018 to present.</p>
Sustainable Development	<p>Requests access to all records, including but not limited to briefing notes, Housebook notes, presentations and reports on the subject of Pineland Forest Nursery from January 1, 2018 to present.</p>

**FIPPA -- DEPARTMENTAL ACCESS REQUESTS LIST**  
**Week of: April 12 - April 18, 2019**

Department	Request
Sustainable Development	Requests access to any application, records of decision, permits, licenses, and studies associated with property identified as [location removed].
Sustainable Development	Requests access to all appraisals for the property/equipment of the Pineland Forest Nursery for the last 5 years.
Sustainable Development	Requests access to records indicating how much quota the government has bought back, in the south basin and the north basin respectively, records indicating the amount paid in each basin respectively, and records indicating the budget line that these funds were drawn from since the Manitoba government offered the option of voluntary Individual Quota Entitlement buyback.
Sustainable Development	Requests access to the scientific data associated with restrictions on mesh size, with respect to the Department's March 11, 2019 announcement regarding the Lake Winnipeg Fisher.
Sustainable Development	Requests access to all permits related to Wanipigow sand project including exploration permits, timber permits, work permits, water use licenses, building permits, access road permit as well as any other applicable permits or licenses issued to Canadian Premium Sand, and groundwater exploration permit.
