

SUMMER EMPLOYMENT OPPORTUNITY with the Manitoba government's STEP Program

The Manitoba government is pleased to announce a NEW summer employment opportunity for Tuition Waiver students under the STEP program delivered by Manitoba Education and Training, Skills and Employment Partnerships Branch. STEP Services provides meaningful employment opportunities in government departments, agencies, and Crown corporations for youth and students.

The STEP Tuition Waiver Summer Student program will provide a unique opportunity for Tuition Waiver students to gain career experience in a variety of government employment opportunities that align with their skills, education and professional goals. Students will also have the opportunity to network with other new professionals across government and engage in professional development and learning activities.

The Manitoba government has a talented, innovative and highly skilled professional workforce that reflects Manitoba's diversity. The STEP Tuition Waiver Summer Student program will provide Tuition Waiver students with a strong foundation to explore career opportunities in government and embark on an enriching career.

Summer placements are expected to start as early as April 29, 2019 and will continue up to August 30, 2019. Students will be paid \$14.30 per hour and will work full-time, Monday to Friday.

ELIGIBILITY:

- Students must be currently enrolled as a Tuition Waiver student at a recognized training institution (university or college) in Manitoba and returning to school in the Fall or a Tuition Waiver student graduating in the Spring;
- Students must meet the mandatory GPA requirements for the Tuition Waiver program at the training institution.
