

SUBMITTING EMERGENCY MANAGEMENT PROGRAM, EMERGENCY PLAN, CONTINUITY PLAN, HAZARD AND RISK ASSESSMENT, AND EXERCISE DOCUMENTS TO MANITOBA EMERGENCY MEASURES ORGANIZATION (EMO)

Date: August 31, 2018

Effective: August 31, 2018

Applies to: Local Authorities in Manitoba

Manitoba EMO has set up an email address for receiving documents related to the Regulation.

Resolutions/by-laws/letters; and approved emergency plans, continuity plan documents, hazard and risk assessments, and exercise documents should be sent to Manitoba EMO at the following email address: **emo.operations@gov.mb.ca**.

Documents sent to that email address will be forwarded to the appropriate Manitoba EMO Emergency Management Advisor (EMA). If the EMA cannot respond in a timely manner (due to vacation leave, sick leave, etc.), documents will be sent to an alternate EMA for review/response.

Documents should be in .doc, .docx, or .pdf formats.

A local authority that would like to submit documents in other formats should contact its EMA to confirm whether that format can be accepted.
