Re: Application for Access under The Freedom of Information and Protection of Privacy Act (FIPPA) – Our File Number 89-16FIN.

Your FIPPA application was received by Manitoba Finance on November 29, 2016 and seeks access to the following records:

“Contract between the Manitoba Government and/or Manitoba Justice and Synergy Inmate Phones, which contract concerns the provision of phone services in all provincial correctional facilities and was signed in or around February 2016.”

Please be advised that your request is granted in part. Enclosed is a copy of the agreement between the Government of Manitoba, as represented by the Minister of Finance, and Synergy Inmate Phone Solutions, Inc. (Synergy) for a Justice Telephone System. The information that is protected falls under specific exception to disclosure provisions of FIPPA, and is therefore withheld.

Subsection 18(1)(b)(c)(i)(ii)(iii) protects the commercial, financial and technical information that was provided by Synergy to the government explicitly in confidence, and whose disclosure could result in financial loss to, prejudice the competitive position of, or prejudice the contractual or other negotiations of Synergy.

Subsection 28(1)(b)(c)(i)(ii)(iii) protects the financial information that government has a proprietary interest and right of use, the disclosure of which could harm its economic interest as it could reasonably be expected to prejudice government’s competitive position, prejudice future contractual negotiations of government, therefore harm its economic and financial interests.

Section 59(1) of FIPPA states that you may make a complaint about this decision respecting your application for access to the Manitoba Ombudsman. You have 60 days from the receipt of this letter to make a complaint on the prescribed form to:
