The Manitoba Government maintains an Aboriginal Business Directory that provides an inventory of Aboriginal business and related organizations, and the goods or services they provide. The Directory is intended for use by government Buyers and Administrators to identify Aboriginal business that may provide the goods or services required within their department. The Directory may also be useful to Aboriginal business and general business when seeking partnerships or sub-contractor arrangements.

An Aboriginal business or organization may be included in the Directory by providing the following information to the address or fax number shown below. An Aboriginal business may also be asked at the time it submits a bid to certify that it continues to qualify as an Aboriginal business. Aboriginal business should inform Procurement Services Branch of any changes in their profile such as ownership, location, contacts and changes in goods and services.
