Manitoba Fuel Tax Rates – 4th Quarter 2018

As announced on October 4, 2018, Manitoba is not implementing a carbon tax. Therefore, the fuel tax rates for clear gasoline and clear diesel will remain at 14.0¢ per litre for the 4th quarter 2018.

File and Pay Online with TAXcess – manitoba.ca/TAXcess

Effective **October 1, 2018**, you will be able to file your IFTA Quarterly Tax Returns on TAXcess. This exciting development will allow you to input your kilometres traveled and fuel purchased and TAXcess will calculate the tax due or tax credit. You will no longer be required to file a paper return. You can also pay any tax due after filing.

If you pay only through TAXcess, please remember to send a copy of the return and worksheet to our office via e-mail, fax or mail (see our contact information below). Returns that are not received will be considered late filed and penalty and interest will be assessed.

Filing IFTA Returns During a Potential Postal Disruption

While the impact of a potential postal disruption on mail delivery is unknown at this time, please be advised that **the due date for the IFTA tax returns does not change because of a disruption.**

To ensure that your IFTA return and payments are received on time, you can:

- **File and Pay** your tax return online using our TAXcess service at manitoba.ca/TAXcess.
 ○ *Note that if payment is only made online through TAXcess, you must still file your return and it must be received by the Taxation Division by the due date.*
- **E-mail** your return to MBTax@gov.mb.ca
- **Fax** your return to 204-948-2087
- **Deliver** your return and payment to either of the Taxation Division office locations listed at the bottom of this page.

Third Quarter Due Date:

Wednesday October 31st, 2018

To avoid penalties and interest, returns must be filed and any amount due must be paid by the above date.
