

Certified Technicians and Technologists Association of Manitoba - Action Plan

In response to the recommendation made by the Fair Registration Practices Office, the Certified Technicians and Technologists Association of Manitoba committed to the following action plan in February 2023:

Recommendation	Action(s)	Anticipated Completion Date	Status Update
1. With regard to CTTAM's two-year professional experience requirement, remove the condition that one-year must occur in Canada.	CTTAM to develop an optional International Educated Applicant Professional Practice Exam (IEA-PPE) to remove the condition of one-year relevant work experience in Canada.	December 2024
