

A look at

Manitoba's self-regulated professions

Under Fairness Legislation

31

Professions under Manitoba's Fair Registration Practices in Regulated Professions Act

22 health professions

9 sciences, social & technical professions

These 31 professions are controlled by self-regulatory bodies (listed below).

It is their job to set requirements for becoming a member and to discipline members who break the rules. To work in these professions in Manitoba, you need to apply, be assessed and licensed by the self-regulatory body that is responsible.

There are 125+ other regulated occupations in Manitoba. Most are regulated by the government of Manitoba.

Registered Members

64,311
