

# Manitoba Regulators

## Registration information of internationally educated professionals

In Manitoba, the following 31 self-regulated professions are under The Fair Registration Practices in Regulated Professions Act. Internationally educated professionals should contact the regulator for their profession directly to learn about the requirements for registration - the steps involved; application forms; a list of required documents; information on exams; fees; and other important information.

The links provided below are to each regulator's registration information for internationally educated applicants.

Profession	Regulator
