

COMMUNITY LIVING disABILITY SERVICES

Subject: **Day Services: Workers Compensation Policy and Procedures**

ADULT DISABILITY SERVICES

PURPOSE

To provide guidelines in accordance with The Workers Compensation Act for reporting Day Services participant claims.

POLICY

Regulation 545/88 R subsection 10(1) of The Workers Compensation Act provides that participants of Day Services described in the Regulation shall be declared to be employees of the government for the purposes of compensation. This means that Community Living disABILITY Services Program participants attending a day program are covered by Workers Compensation when injured while attending the day program.

The cost of any benefits payable to a person under Regulation 545/88 R shall be reimbursed to The Workers Compensation Board by Families through the Manitoba Civil Service Commission.

PROCESS

A Workers Compensation Claim occurs when:

- a Community Living disABILITY Services Program participant, who is declared an employee of the government under Regulation 545/88 R and incurs personal injury or death while participating in a government funded program described in Regulation 545/88 R, is entitled to make a claim, or have a claim made on his or her behalf, for compensation payable under The Workers Compensation Act.
