

Deputy Minister

Manitoba Conservation and Climate

.....

The Government of Manitoba is looking for a progressive, collaborative and trusted leader for the position of Deputy Minister, Manitoba Conservation and Climate. This key executive leadership role within Manitoba Conservation and Climate leads the department to achieve its mandate on time and budget and fosters a positive organizational culture.

Reporting to the Clerk of the Executive Council and working closely with the Deputy Minister team, you will be committed to strong corporate leadership and implementing effective fiscal practices that contribute to modernizing services to Manitobans. You will lead the department in advancing the [Manitoba Public Service Transformation Strategy](#) by exemplifying the values and ethics of the Government of Manitoba and creating the conditions to support an innovative, citizen-focused, and highly effective organizational culture.

You must be a results-oriented high-performance organizer and motivator. You must be credible, creative and innovative. You must be an influencer, networker and risk-taker. You must foster commitment, team work and collaboration with superior political acumen and excellent communications skills.

Please click [here](#) for more details on this exciting opportunity.

To apply for this position, you will need to submit your resume and cover letter to the Civil Service Commission by March 27, 2020 (cscexecutivejobs@gov.mb.ca), quoting 35996 and position title in the subject line.

Employment Equity is a factor in selection. Applicants are requested to indicate in their cover letter or resumé if they are from any of the following groups: women, Indigenous people, visible minorities and persons with disabilities.
