MHSLTC strongly recommends frequent claims submission (daily, if possible) to reduce your risk of missing a payment cycle. Always check the Audit Control Confirmation Report (P1), to verify acceptance of submission files. Acceptance of a file does not guarantee payment in full for the claims submitted. The claims must still follow normal processing. File acceptance only applies to the data integrity of the submitted records.

For assistance with submission file uploads and remittance downloads, please contact the Service Desk at 431-317-8370.
