

***Information for Pharmacists***

**Claims Submission Procedure –  
Dalacin T 1% Topical Solution  
(Clindamycin Powder mixed to 1% in Neostrata 8% Pure  
Solution)**

***Effective January 10, 2018***

**Please include this Procedure in your Drug Programs Information Network (DPIN) Manual under Section 4: Claims Submission.**

- The PIN 0 0 9 1 1 4 4 0 should be used when submitting claims for compounded Dalacin T 1% Topical Solution. Once the shortage is resolved, the PIN will be removed.
- The Pharmacy Claims Submission Manual (also known as the DPIN Manual) requires that when submitting a claim for an extemporaneous product to Manitoba, the pharmacy must enter the 1) Drug Cost and 2) the Preparation Cost or Professional Fee.
- The **Professional Fee**, for an extemporaneous drug shortage compound, may not exceed *the greater of*:
  - (a) \$30; or the Usual and Customary (U&C) Professional Fee (the amount regularly charged by the pharmacist to persons responsible for paying the professional fee without reimbursement),
  - OR
  - (b) the Preparation Cost – the amount determined by multiplying the number of minutes specified in the recipe issued by Manitoba spent on the preparation by \$1 as this is a non-sterile preparation.
