

Information for Pharmacists

**Claims Submission Procedure –
Mifegymiso**

Effective September 1, 2019

**Please include this Procedure in your Drug Programs Information
Network (DPIN) Manual under Section 4: Claims Submission.**

- This Claims Submission Procedure (CSP) applies to community pharmacy dispensation of Mifegymiso (Drug Identification Number 02444038) to all residents of Manitoba with a valid Manitoba Health Registration Card and a prescription for Mifegymiso.
- Failure to submit the claim according to the procedure below will result in no reimbursement to the pharmacy for the ingredient cost nor the allowable professional fee.
- Clients presenting with a valid Manitoba Health card and a prescription from an authorized prescriber should not be charged any out-of-pocket costs and even if the client is enrolled in Pharmacare or another provincial drug program (eg. Family Services/EIA), there is no requirement to meet a deductible or co-pay.
- The following procedure should be followed for reimbursement of the ingredient cost plus a \$30.00 professional fee:
 - Ensure the prescription is written by an authorized prescriber;
 - Ensure that the patient is an eligible resident by requiring the patient to present a valid Manitoba Health Registration Card (MHRC);
 - Enter the claim in DPIN as Drug Utilization (DU) only. If the claim is submitted for fiscal adjudication under Carriers 01 through 04, it will be rejected and the pharmacy will not be reimbursed by Manitoba Health, Seniors and Active Living.
 - Indicate the quantity of each Mifegymiso pre-packaged kit dispensed as one (1);
 - Specify in DPIN the total days' supply of Mifegymiso provided to the patient as three (3);
 - Enter an ingredient cost equal to the current ingredient cost of Mifegymiso in DPIN; and
 - Enter a professional fee of \$30.00.
- Pharmacy operators will be reimbursed an amount equal to the current ingredient cost of Mifegymiso in DPIN plus a professional fee of \$30.00 (regardless of usual & customary fees identified in Schedule A/B of the Pharmacy Agreement).
- Claims will be tracked and reimbursed to the pharmacy once per month via electronic fund transfer.
- If a claim is submitted DU only and not dispensed to patient, the pharmacy must reverse the claim from the patient profile within 28 days of claim date.
- If a claim is submitted DU only, not dispensed to the patient, and not reversed within 28 days, the pharmacy must submit a reversal/adjustment form to Manitoba.
- Pharmacy can submit an adjustment for claim not submitted on-line within seven (7) days of dispensing.
