Have you tested lately?

You are sexually active + You have never had an HIV test / Your last HIV test was over a year ago = The time is now

December 1st is World AIDS Day
Make December the month you get tested for HIV

See your health care provider or visit Nine Circles for free testing. 705 Broadway, Winnipeg MB or PH: (204) 940-6000

For a list of World AIDS Day events & activities, or for more information, visit www.ninecircles.ca
