Special Delivery Instructions:

Naloxone kits are funded by Manitoba Health, Seniors and Active Living for distribution to members of the public who are at risk of opioid overdose, as per the Take-Home Naloxone Kit Distribution Site criteria (See <http://www.gov.mb.ca/health/index.html>). Naloxone kits for administration by health care providers are not funded by Manitoba Health, Seniors and Active Living

Product	Content of each kit	Product code	Quantity ordered
Naloxone Kit (Completely assembled)	3 x Naloxone 0.4 mg/ml, 1 ml ampoules 3 x Vanish Point 3 ml syringes with 1 inch needle Black case Medication bottle with label 3 x plastic ampoules breakers A pair of non-latex gloves 2 x alcohol swabs Breathing mask in pouch Bilingual instruction insert	1715081	____ Kits (Order in multiples of 5 kits) Max for regular sites = 20 kits Max for large sites= 50 kits

For each Naloxone kit ordered, the following training supplies will be provided:  
1 water ampoule, 1 ampoule breaker and 1 Vanish Point syringe

Water ampoules = 0.5 ml or 1.0 ml ampoules ( depending on stock availability)

Ordering and receiving supplies from the provincial vaccine warehouse:

- Only approved Naloxone kit distribution sites are eligible to place orders. See: <http://www.gov.mb.ca/health/index.html>
- Emergency / after hours product service is not available for Naloxone kits
- Naloxone kits should be stored between 15 and 30°C
- Naloxone has a shelf life of approximately 2 years. Check the expiry of each kit before providing to clients.
- Naloxone Kits within 3 months of expiry should not be provided to clients. Return these kits to the provincial vaccine warehouse and order new supply.
- Delivery time is approximately 3 business days in Winnipeg and 4 business days for rural from the date of order approval
- Order cut off is 3pm daily, after which the order is considered submitted the next working day
- Please check your order on receipt to ensure you received the correct quantities and supplies in good condition. If you notice discrepancies, please call the provincial vaccine warehouse.

For rural delivery only:

- Facility must call when shipment received and let warehouse know if the monitor was flashing green (OK) or red (alert). If flashing red, product to be held until warehouse calls to release.
- Packaging and monitor must be returned to warehouse. A charge of \$150 may result if not returned.
