**NOTE:** When referring agency is notified of admission to the Rehab Program but declines admission the referral is dropped from the waitlist. A new referral is required to access Rehab Program services. The patient will **not** be maintained on the waitlist.

IV. Appeal Process

Should a referral not be accepted and a referring source disagrees with the decision, an appeal can be made through the Program Manager by way of a letter indicating the reason(s) for the appeal. A review will be conducted by the Medical Director, senior individual from the referring source and Program Manager. A meeting may be scheduled to discuss the appeal between appropriate members of the referring source and S.M.H.C. Decision of appeal will be provided in writing to the referral source by the Medical Director of S.M.H.C.
