

# Selkirk Mental Health Centre Strategic Plan 2021-22

## VISION

**Enlightened minds. Empowered people.  
Engaged communities.**

Through recovery-oriented practices, partnerships and education, we specialize in mental health and acquired brain injury services that inspire and empower individuals to live meaningful lives.

## MISSION

### VALUES

**HOPE**  
We inspire, encourage and provide optimism to support individuals to grow, learn and recover.

### VALUES

#### RESPECT

We create a welcoming and inclusive environment for all by valuing differences in skills, opinions, cultures, spiritual beliefs and life styles.

### VALUES

#### EXCELLENCE

We use principles of continuous quality improvement and learning, and support best practices in research and innovation.

#### Strategic Direction 1

Strengthen  
Recovery-Oriented  
Programs and  
Services

#### Strategic Direction 2

Pursue Excellence  
by Focusing on  
Quality and Safety

#### Strategic Direction 3

Align and Integrate  
with the Health  
System
