

BUILDING *Foundations* Bursary Recipients 2018

For the eleventh consecutive year Manitoba Housing recognized post-secondary students by awarding \$1000 bursaries to selected students who are attending a post-secondary program in a public or private post-secondary college or university in Manitoba and receive a rental subsidy through Manitoba Housing.

Family and friends of ten BUILDING *Foundations* Bursary recipients came together at the Manitoba Legislative Building on Friday, November 23, 2018 to celebrate. Honourable Heather Stefanson, Minister of Families, Manitoba Housing Acting COO Carolyn Ryan and Winnipeg Foundation CEO Rick Frost brought greetings and presented bursary awards.

Of the ten recipients, three are attending Red River College while five are attending university programs - one at the University of Manitoba, two at the University of Winnipeg, and two at University College of the North in The Pas. One recipient is enrolled at the Manitoba Institute of Trades and Technology and one is enrolled at the IBEW Local 2085 Code of Excellence Training Centre. The graduate student bursary was awarded this year, which also includes an opportunity for a summer internship with Manitoba Housing. Seven of the ten recipients declared Indigenous ancestry on their applications. Annually, a combination of criteria factors guides selection of recipients, including academic excellence and volunteering in the community.

Manitoba Housing entered into an agreement in 2010 with The Winnipeg Foundation to administer and help grow the BUILDING *Foundations* Bursary trust fund.

You can help students pursue their education goals and future dreams.
