Dear Rental Housing Supply Roundtable member,

We would like to take this opportunity to thank-you for the contributions you made to this Roundtable. With your participation, we were able to bring forward the important issue of rental housing supply in Manitoba and begin to identify tools and solutions. The Roundtable operated under the principles of shared responsibility, collaboration, and mutual learning, a process that enriched our discussions and greatly benefitted our final report. As you return to your respective communities and begin to disseminate the contents of the Roundtable's report, we hope you will maintain this relationship of collaboration.

The report produced by the Roundtable will be available for download at the Provincial Government website, and we encourage members to host the document on their websites as well.

Thank you again for your participation.

Sincerely,
