Our Ongoing Work in Manitoba

- 833 new affordable units in under three years on our way to 1,500 units in five.
- Over 1,400 units in development through Tax Increment Financing.
- 150 seniors units committed.
- \$50 million committed for another 180 family housing units on the way.
- 18,000 social housing units renovated and upgraded.
- 167 people with barriers to employment trained for renovation work on Manitoba Housing buildings through partnerships with BUILD and BEEP.
- Hundreds of thousands of dollars saved in energy and water costs each year.
