## Fees

As part of the Social Housing Rental Program, Manitoba Housing may charge additional fees for the following services where they are available and requested:

- parking spaces
- meal programs
- tenant services packages

Manitoba Housing will also charge a fee for:

- replacement keys or cards
- returned payments (i.e cheques that cannot be cashed)
- maintenance or repairs beyond normal wear and tear

Manitoba Housing does not collect a security deposit when a tenant moves into housing. This means that, when a tenant or visitor willfully or negligently causes damages to Manitoba Housing property, the tenant will be charged for the cost of those repairs.
