Manitoba Housing is committed to working with tenants to create safe communities. Keys and access cards are only given to people residing in a unit or to approved support service providers.

A fee will be charged for replacement keys or access cards and for failure to return keys and access cards at end of a tenancy.

### What is new?

Keys or access cards will be provided to each household member 18 years of age or older.

In addition, when requested by a leaseholder, additional keys or access cards will be provided for children 12 and over, and to support service providers where they have been approved by Manitoba Housing.
