

# Manitoba Housing

## Parking

Parking is rented on a first-come, first-served basis, where available. Parking is not available on all properties.

All tenants renting a parking space must sign and abide by the responsibilities and obligations listed in the Parking Agreement.

Manitoba Housing properties may not be used to accommodate vehicles not appropriate for a residential project. This may include recreational vehicles, boats, trailers or other equipment.

-----  
If you have questions about any of the above information please contact your Property Manager or Tenant Services Coordinator.

Available in alternate format on request.
