

Manitoba Housing

Tenant Maintenance Responsibilities

Tenants have a role to play in ensuring that Manitoba Housing units and properties are well maintained and safe.

The tenant is responsible for:

- keeping their home clean
- upkeep of balconies, private yards, sidewalks, or driveways directly connected to the rental unit
- reporting all repair and maintenance needs to Manitoba Housing

Where there are damages caused by the tenant or their guests, tenants have the option to obtain approval and repair the damages themselves to Manitoba Housing's standards or be charged for the cost of the repairs.

If you have questions about any of the above information please contact your Property Manager or Tenant Services Coordinator.

Available in alternate format on request.
