This map is a compilation of all known aggregate deposits, gravel pits and quarry locations in the area. The aggregate deposits are shown in blue, gravel pits are shown in orange and quarry locations are shown in red. The map is based on data collected and compiled by Manitoba Energy and Mines and does not include any privately held or confidential data. The information on the map is subject to change and is not guaranteed to be 100% accurate. All data and maps are used for planning and decision-making purposes only. For detailed and current information, please contact Manitoba Energy and Mines or your local government. This map is not suitable for surveying or land transactions. Manitoba Energy and Mines is not responsible for any errors or omissions in the data. This map is provided "as is" and without warranty of any kind, either expressed or implied, including, but not limited to, the implied warranties of merchantability and fitness for a particular purpose. The user assumes all risk of using this map. Manitoba Energy and Mines shall not be liable for any damages, including, but not limited to, direct, indirect, special, incidental or consequential damages, arising out of the use of this map or the data contained herein.
