**Tips:**

Use % for wildcard search

Enter partial name to give you more search results.

Eg .John Smith

Enter: **John%**

- Enter the Holder Name. Enter a partial name to have more results. Let's say you are John Smith. Enter **John%** with the **percent symbol (%)** for a wildcard search. This way all the clients with **JOHN** in either in their First Name or Last Name will populate in the search result.
