Dear Ms. Rennie,

RE: Sinclair Unit No. 23 Project Approval

The Petroleum Branch is pleased to grant approval of Sinclair Unit No. 23 within the Bakken-Torquay Formation covering Section 19-8-29WPM.

The effective date for Sinclair Unit No. 23 is December 1, 2021.

The execution pages of the Unit Agreement are signed and attached.

Tundra is reminded that separate conversion applications are required for any existing horizontals to be converted into injectors within this new Unit. Please inform the Branch 1(one) month in advance of when Tundra wants to start injection so a Waterflood Order can be created and TTEF calculated, etc.

If you have any questions in respect of the applications required please contact Mr. Leo Leonen, Engineering Officer, at (204) 945-6570.

Yours truly,

Ms. Tafa Kennedy
