

## **Approximate Wages and Cost to Drill One Horizontal Well (based on 2010 Industry Submissions)**

**NOTE: Average time to Drill one Horizontal Well is 5 days**

### **COMBINED WAGES TO DRILL ONE HORIZONTAL WELL**

LEASE PREPERATION WORKERS WAGES	\$1,584.00 (3 workers in approximately 3 days)
DRILLING RIG WORKERS WAGES	\$63,250 ( 22 people total in approximately 5 days)
SERVICE RIG WORKERS TO COMPLETE WELL	\$7,020 (10 workers in approximately 5 days)

**TOTAL WAGES TO DRILL ONE HORIZONTAL WELL IS APPROXIMATELY \$71,854**

### **AVERAGE COST PER METER TO DRILL ONE WELL (Derived from 2010 Industry Submissions)**

Horizontal Well	\$430.49/metre	Average depth is 2178 measured depth
Horizontal Exploration Well	\$534.64 /metre	
Vertical Well	\$440.48/metre	Average 1020 metres depth from ground level
Vertical Exploration	\$434.00/metre	

### **OIL FIELD JOBS**

Lease Preparation Workers	\$22.00 per hour
Drilling Rig Workers	\$22.00 per hour
- Rig Hands	\$30.00 per hour
- Consultant	\$1200 per day
- Geologist	\$1000 per day
- Directional Drillers	\$1200 per day
- Water Truck Driver	\$750 per day
Service Rig Workers	\$27 per hour
