
Incorporated Community of Seymourville

Community Overview

History

The community incorporated in 2004 and is one of a group of five in the area including: Bissett, Aghaming, Manigotagan, Hollow Water reserve.

Access

The community lies on the west side of the reserve and is 85 kilometres by road from Powerview-Pine Falls.

Governance

The community is represented by a mayor and council under The Northern Affairs Act.

Economic Overview

Located within the Precambrian shield region in an area of granite-gneissic rock with little or no soil cover which has an impact on economic opportunity. A large deposit of silica sand has been identified, with proposed development pending. Economic activity includes fishing, trapping, logging, wild rice harvesting and limited tourism support. Fishers pack fish in Hollow Water and transport to Selkirk or Winnipeg. The Seymourville Community Development Corporation incorporated on August 20, 2003 to assist and support the social and economic needs of the community.
