Economic Overview

The community is located within the Precambrian Shield region of the province, an area of granite-gneissic rock with little or no soil cover. Within the community boundary there is some clay cover, with rock outcrops, supporting soft and hard wood forest cover.

People from the community work in the production of pulpwood for Pine Falls Paper Co. and some sawlogs for private saw mills.

Additional economic activity includes commercial fishing, trapping, hunting, wild rice harvesting and tourism.

Fisherman deliver their catch to the Wanipigow fish station. Trapping is organized under the Hole River and Lac du Bonnet Registered Trap Line Zones.

Wild rice planting and harvesting occur along the Manigotagan River to Turtle Lake and surrounding area.

Tourism is focused on the North Star Hotel, the Woodn' Bell Motel, English Brook campground and Manigotagan campground facilities. Local guides are available for hunting and fishing parties.

Manigotagan Community Development Corporation was established to provide support for local economic, social and community development needs.
