Upon filing this signed statement with the MEP, I agree that I will immediately advise the program of any changes to my order (agreement), any change in circumstances that affect the terms of my order (agreement), and if any support term is no longer in effect.

I understand that if I wish to cancel this request for enforcement, I must file with the MEP a signed Opt Out form which will advise the MEP that the enforcement provisions of this Act no longer apply to my order (agreement) and that enforcement should end.

Collection of Late Payment Penalties (LPP)

MEP will assess and enforce LPPs unless you indicate you do not want LPP assessed or enforced by checking the box below:

I waive my right to the assessment of late payment penalties on my file.

I request and authorize the MEP to enforce my maintenance order under Part VI of *The Family Maintenance Act* from the date of filing this signed statement with the MEP.
